Yes No

Callsign(s)

Data Protection Act

The SNADARC membership list is held on computer. To comply with the provisions of the UK Data Protection Act, holders of information held in this way must ask those on the list whether they have any objection to the information being thus recorded. IF YOU OBJECT to your name, postal address, e-mail address and telephone number and callsign being so recorded, then please TICK this box.....

It is also intended to use the information to compile and issue to members, a club Callbook listing the details of all members. In addition to the information in the public domain, namely, Callsign, the rest of the information provided above will be optional. IF YOU OBJECT to this information about you being included then TICK the applicable boxes below:-

Exclude:- Name....., Address....., Telephone....., Email.....
